Daleville Launches Heroes of Daleville Community Banner Program to Honor Local Veterans

Daleville, IN—12/20/2024—The town of Daleville is proud to announce the launch of the Heroes of Daleville Community Banner Program, a new initiative to honor the brave men and women who have served in the United States Armed Forces and who have lived or currently live in Daleville. Through this program, local veterans will be celebrated with custom banners displayed prominently in the community, showcasing their service and sacrifice.

Daleville is now accepting applications for the Heroes of Daleville Community Banner Program. This program will honor local veterans with custom banners displayed throughout the town in time for Memorial Day. Each banner will feature the veteran's name, service period, personal story, and photograph, allowing families and friends to honor their loved ones publicly.

How to Apply

Veterans or their families can apply for a \$100 banner by submitting the veteran's name, service period, a high-quality photo (1500 DPI), and a brief summary of their service.

We also invite sponsors to support the program with four sponsorship levels:

\$100 Honor Sponsor – Social media recognition and inclusion on the outdoor banner.
\$250 Pride Sponsor – Two hero stories on social media and banner recognition.
\$500 Valor Sponsor – Five hero stories on social media and larger banner recognition.
